One core. Five pillars. One network.

Buyers at the top pay five pillars. One shared core runs all five on inputs we already hold.

€34.5bn
European sponsorship market 2025; arts and culture 28%
ESA / Nielsen Sports 2026

50–60%
of Semafor revenue is event sponsorship; profitable 2025
Semafor, Nieman Lab

<5%
of SemiAnalysis revenue is subscriptions
The Information, estimate

1 THE SYSTEM · WHO PAYS, WHAT WE SELL, WHAT IT RUNS ON

WHO PAYS

- **Brands & sponsors** — season sponsorship
- **Clients** — retainers · reports
- **Members** — annual dues
- **Brands & sponsors** — tour packages · tables
- **Founders & investors** — fees · carry

FIVE PRODUCT PILLARS

1 · Editorial content — the voice
- Interview series
- Bilingual newsletter
- Video · LinkedIn · 公众号

long-term business

2 · Consultancy & advisory — paid answers
- Market-entry advisory
- Co-branded reports
- Expert calls

mid-term profit

3 · Community — the vetted room
- Base membership
- Executive club
- Courses · study trips

mid-term profit

4 · Venue & events — the stage · Encore
- Encore tour sponsorship
- Executive salons
- Sponsor dinners

short-term profit

5 · Acceleration — the pipeline
- Soft-landing programme
- Investor scouting
- Corporate pilots

long-term business

SHARED CORE · every pillar runs on it

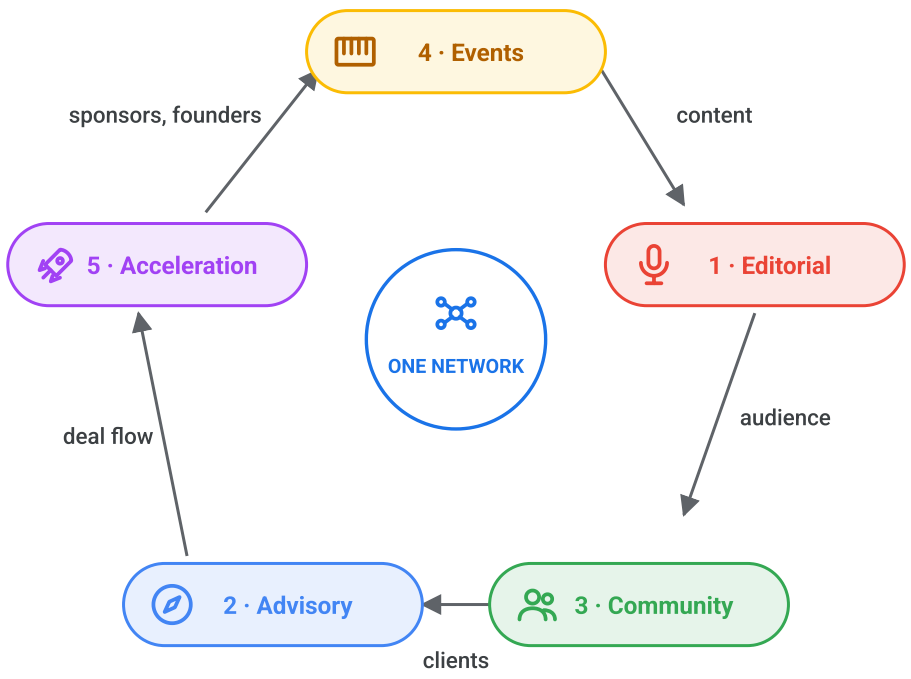

- **Editorial voice** — one theme · one host
- **Relationship graph** — one CRM for all five
- **Production line** — record once · 6 channels · 2 languages
- **Commercial desk** — one rate card · invoicing SE + CN

INPUTS ALREADY HELD

- **Founder domain depth** — sensing · robotics · automotive
- **Stage & talent access** — celebrity concerts · pianist interview
- **Partner assets** — data · reports · founders · investors
- **Two-market base** — Swedish AB · China partner

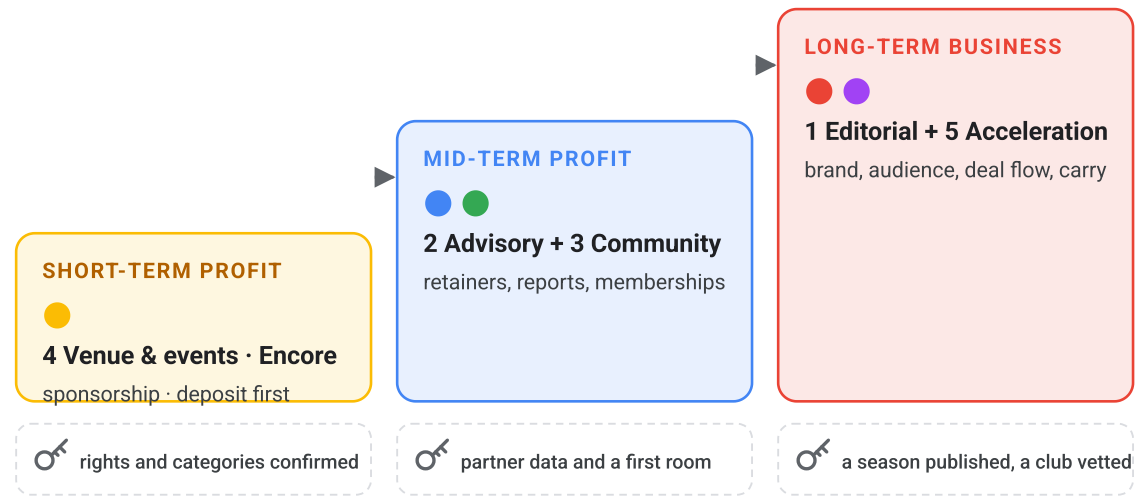

Read top to bottom: buyers pay the pillars, the pillars run on one core, the core is built from what already exists.

2 HOW THE PILLARS FEED EACH OTHER

Start at Events; the loop closes when sponsors and founders become the next stage.

3 SHORT, MID AND LONG TERM · WHICH PILLAR PAYS WHEN

Each step rests on the condition under it, not on a date.
